Everyone has a favorite way to
eat a potato...

Potatoes from Around the World

ESN KISA's Potatoganza 2017

- * Potatoes are a universal comfort food
- * This inspired us to create an event centered around this food and its diverse uses
- * We hope that this brings people of different backgrounds together
- * We think it will be an easy way for students to connect and learn about other cultures

Details

- ✳ What: A celebration of the internationality of potatoes
- ✳ When: Early Spring 2017
- ✳ Where: Lukema
- ✳ Who: Around 100 ISYY members

Implementation

- * Groups of 4 will register online beforehand
 - Max. 20 groups
 - They will specify group name, dish, country/ies
 - Each group will prepare a short speech about the background of the dish
- * The event will begin with a short presentation about the history of potatoes and introductions to each dish
- * After that, all attendees and participants will get to enjoy the wonderful potato dishes!
- * Attendees will vote on the best dish
- * Organizers will hand out fun awards, or “honorable mentions,” to some of the best dishes

Budget

- * 100-200€ - 10€ of ingredients for each group
- * 50€ - other supplies
 - Coffee, tea, juice
 - Disposable dishes and utensils
 - Paper and markers for voting and flag decoration
- * 50€ - prizes for winning teams

Why select Potatoganza?

- * This event would be easy for any student organization to plan and execute
- * However, ESN KISA hopes to partner with a Finnish student organization to implement it
 - This would help foster friendship and cooperation between Finnish and international students
- * It will appeal to all students, international or not
- * It will bring people together and introduce them to new cultures in a fun and tasty way!

Thank you!
