

New student - familiarise yourself with student life with ISYY's Freshman Bingo!

ISYY organises a 'Fuksibingo' aka Freshman Bingo to kick-start the academic year. By completing a bingo you will get a ISYY FUKSI overall patch and you can join the Freshman Bingo Raffle. By entering the raffle you have a chance to win a gift card to a café. The Freshman Bingo helps new students to familiarise themselves with student life and to find new communities.

Rules of the Freshman Bingo and the Raffle

New students of UEF who have joined ISYY can participate in the Freshman Bingo from 2 September to **27 November 2024**. The participants' goal is to complete tasks in the bingo sheet and mark to the sheet the tasks they have finished. The bingo row can be made vertically, horizontally or diagonally (from corner to corner). Students who complete a bingo row and return the bingo sheet to the ISYY office will receive a 'ISYY FUKSI' overall patch. At the office the student has to show their completed bingo and their valid student card (Frank) to the ISYY staff. There is a limited amount of the ISYY FUKSI overall badges so be quick!

All of those who have completed the bingo can leave their contact information at the ISYY office for the Freshman Bingo Raffle. By entering the raffle you have a chance to win a gift card to a café (10 gift cards/campus).

The electronic bingo sheet can be downloaded from ISYY website (QR code below), or you can pick up a paper version from the ISYY offices. If you download the electronic bingo sheet, you can modify the picture and mark which tasks you have completed and show the completed bingo from your phone screen at the office.
